# 2010 President's Membership Initiative

In Rapid City, President Hays made a commitment to leave IAWP in a better position than it was when he took office. Central to this is increasing our membership numbers.

In addition to initiatives that will come before the Board of Directors he is launching a “President’s Challenge”.

Join President Hays and your fellow IAWP members as we Collaborate and Innovate our way to a brighter tomorrow

*President Hays is putting his money where his mouth is on this initiative. He will be providing all recognition items, no IAWP funds will be used for this purpose.*
