

IAWP Board Proposal

Bylaws

Proposal:

Repeal the current IAWP bylaws and replace with a new set of bylaws.

Why:

Our bylaws are complex and often provide more detail than what needs to be or should be in association bylaws. They also harken to a way of doing business that is no longer working for IAWP. The new bylaws are easier to read, organized in a more efficient way, and set us up for the future.

The proposed bylaws do incorporate the proposed shift from district directors to directors at large that was not approved by a 2/3 majority vote of the membership in June 2017

*******FOR SEPTEMBER BOARD MEETING WE WILL REVIEW AND DISCUSS. A VOTE TO MOVE FORWARD TO MEMBERSHIP WILL TAKE PLACE AT THE NEXT BOARD MEETING*******

Implementation:

July 1, 2018
