

COMMITTEE: International Development

Current Goals	Status of Goals	Next Steps/Action Needed
1. Develop guidelines for the relationship between foundation board, international development activities and the association by 6/30/18	Pending completion of policies and procedures for ID	
2. Continue working with International Delegates to encourage ongoing participation from their respective countries	I have remained in touch with the delegates and with Jason who is hoping to recruit delegates from other embassies.	
3. Continue to research possibility of a quarterly video message to be posted on the website from one of our International members	I have requested videos from each of the Taiwanese delegate in 2017, as recently as in August.	
4. Research possibility of an online educational training from our international members	A maker video and the Taiwan presentation were both posted to the website.	

<p>5. Ad-Hoc Committee on International Development Members – Chris, Vicki Z, Ray By 8/18/17 Continue researching and documenting current practice for International Development activities</p> <p>Continue to work with Foundation board and administrative staff to begin development of clear guidelines on the roles both the Foundation and Association play in relation to International</p>	<p>Foundation Policies and Procedures are in the works, including guidelines for ID scholarships and efforts that come under the Foundation. These will also reflect ID practices.</p>	<p>Coordinate final Foundation recommendation with Administrative office and Officers.</p>
